

State Fleet Information System
Primary Purpose Table
Effective 6/1/04

Code	Primary Purpose	Definition
02	Task Specific Vehicle	<p>"Task Specific Vehicles" do not have permanent major equipment modifications and are assigned to and primarily used for one specific activity or purpose. Vehicles in this category must have justifiable reasons why they cannot be used in other applications. They are only the task values included in the secondary purpose table. Examples may include:</p> <ul style="list-style-type: none"> ➤ A cargo van used in food service and any other use is prohibited ➤ Vehicles operating on state grounds or in limited geographic areas such as delivery or facility support vehicles ➤ Vehicles that haul large or multiple pieces of equipment/tools where it is impractical to remove the equipment after each use therefore making the vehicle unavailable in other applications. <p>If your agency has a Task Specific Vehicle that is not listed in the Secondary Purpose table, contact the State Fleet Manager.</p>
03	Special Purpose Vehicle	<p>"Special Purpose Vehicles" have permanent major equipment/ modifications. They are only the special purpose values included in the secondary purpose table. If your agency has a Special Purpose Vehicle that is not listed, contact the State Fleet Manager.</p>
04	Employee Transportation	<p>Vehicles without permanent major equipment modifications primarily used in the transportation of agency employees.</p>
05	Client Transportation	<p>Vehicles without permanent major equipment modifications primarily used in the transportation of clients. Examples include: Department of Elementary & Secondary Education students, Department of Mental Health consumers, Department of Social Services clients, Missouri Veteran's Homes patient transportation and other similar use vehicles. Does not include vehicles specially equipped for inmate transportation or handicap transport (see special purpose vehicle).</p>
